Verbal appraisal \$20 Written Appraisal \$40

If your quilt has been published, won any awards, been quilted by a notable longarm quilter, or has sentimental value to your family, it is a good idea to have it appraised. Many quilters are giving a written appraisal along with a gift quilt so that the new owners realize the true value of the quilt. Without a written appraisal, insurance will only value your quilt as a blanket. Protect your investment of time, fabric and sweat equity with a written appraisal by AQS Certified Quilt appraiser Lois Palmer.
